ANNOUNCEMENT

Ford, president of the Ford Motor Company, following statement:

Reduction has been made in the list price of all cars and the Ford truck to take effect immediately. The new list prices, effective July 1, 1921, are as follows:

1921 Sedan	\$370
1921 Truck Chassis	\$370
1921 Sedan	\$370
1921 Truck Chassis	\$370

Reductions last fall were made in anticipation of costs which we are now getting the benefit of, together with increased manufacturing efficiency and demand for Ford cars, particularly the new three months permitting maximum production. Another price reduction was made in June, and trucks than for the same two months in 1921. Demand has been even greater than the supply, output has been limited, not by unfilled orders manufacturing facilities.

May we produced 101,424 Ford cars and trucks in the United States alone—the biggest month in the our company—and our factories and assembly now working on a 1000 car daily schedule for June. Ford tractor is still being sold at less than the cost on account of the recent big price reductions, and able, therefore, to make any further cut in the tractor.

Ford to go without a car any longer when Ford is selling low prices. There is no reason now why you should delay Ford car, Ford truck, or Ford tractor.

Each of us concerning the delivery of a Ford car, Ford truck, or Ford tractor, is interested. Just drop us a card.

Are You in DANGER?

If you are in the habit of keeping money or valuables on your person or in your house, you are certainly in danger.

You are in danger not only of being robbed, but of having some worse fate befall you. There are, sad to say, those who would not hesitate to commit robbery, if necessary, to expedite a robbery that they have planned.

You will be safer and your money certainly will, if it is deposited in bank. We not only offer you 100% safety, we will add 4 per cent interest to your money each year.

As to your valuables, you can rent a safe deposit box in our vault in which they, too, will be really safe.

"Oh Boy! Ain't this the life!!"

I LIKE my job.
BUT DAYS do come.
WHEN SKIES are blue.
ABOVE the city smoke.
AND BREEZES stir.
THE PAPERS on my desk.
AND THEN I think.
WHAT I would do.
IF I were boss.
I'D OPEN shop.
AT TWELVE o'clock.
AND CLOSE at one.
WITH ONE hour off.
FOR LUNCH, and I.
WOULD GET old Sam.
TO RUN me out.
IN HIS big six.
AND DROP me off.
UNDER A greenwood tree.
BESIDE A babbling brook.
AND THERE I'd lie.

AND EVERY one.
IN A while.
ROLL OVER.
OR MAYBE sit and think.
BUT MOST likely.
JUST SIT.
AND EVERY one.
IN A while I'd light.
ONE OF my Chesterfields.
AND OH Boy.
I GUESS that wouldn't.

Lumber Back to Normal.

LUMBER has reached a price-level where its value bears the true and proper proportion to the value of the products you farmers raise and sell. In other words, prices today on lumber are consistent with prices on farm products.

THERE'S NOTHING MYSTERIOUS about it—just the old law of supply and demand—and a willingness on our part to play fair with our customer-friends by reducing our prices to a point where you can afford to buy.

RIGHT NOW your problem may be a barn, a shed or other building necessary to help you do your work better, more quickly or more economically. Or it may mean a new home, or repairing and remodeling the old one.

BRING YOUR PROBLEM TO US. Let us show you the facts. We have many plans and suggestions, some of which you can probably use, and our friendly counsel and assistance won't obligate you in any way.
